5:30 -
8:00
PM

Become a sponsor today!

JCL exists for one reason only – to help adults with developmental disabilities to participate in community life as independently and safely as possible. JCL residences are, first and foremost, homes.

The JCL Family

In 1982, JCL joined the disability rights movement – moving people with disabilities out of institutions – into one of the first 50 group homes in Connecticut. People like you responded – with open hearts and open minds – to welcome JCL into the community.

A Lifetime Commitment

Your support of this event will help us to keep our commitment to David, Mira, Jaime, and all the others. The individuals we support live with us for their lifetimes and as long as we can meet their needs.

Your Participation as a Sponsor

Your sponsorship to our Carnival Galette will help us provide the assistance that will be needed – not for just a few years, but for decades to come. Your sponsorship will be joined with gifts from other loyal and generous community donors – just like you – who appreciate what we do and support our mission.
